

# your CHARITY OF CHOICE

A program by  
Canada Med Services  
and  
Discount Prescription  
Services

This program was established by Canada Med Services and Discount Prescription Services to partner with our customers by giving back to our local community by way of your favorite organization. Please select an organization of your choice from the list below. Each time you place an order, your selected charity will receive a donation from Canada Med Services/Discount Prescription Services.

In these unpredictable economic times, many of our customers tell us that they have had to cut back on supporting local organizations. This program is our way of helping our customers to continue to support their Charity of Choice. Additionally, it is our way of saying “Thanks” from all to those organizations in Sarasota that support our community and provide us with the best in Arts, Culture, Sciences, Educations, Health and Community Outreach.

Without these and many other organizations in Sarasota, our community would not be what it is today.
